Through our AIG Private Client Group, a division of the member companies of American International Group, Inc. (AIG) offers a level of innovation and personalization unmatched in the insurance industry. We provide the coverage necessary to preserve your assets and personal liability. Your protection also can be augmented with services to minimize property damage and bolster your family's safety. And all of this comes in one package, tailored to your needs.

We understand what it takes to be successful. We manage your risk so you can focus on your life.

## Insurance for your world

With AIG Private Client Group, you have access to a wide array of competitively priced products captured on a single bill. You can further control costs through high deductible options and meaningful premium credits. Our policies complement one another, helping eliminate gaps or overlaps in coverage. Look to us to safeguard all that you hold dear.<sup>1</sup>

### For your home

Rely on sound protection from a broad array of circumstances, including industry-leading coverage for water damage. If a total loss occurs, we often can pay to rebuild your home to match its exceptional quality, even if doing so costs more than the policy limit. Supplemental coverage options allow your policy to reflect what matters to you.

### For your liability

You don't have to be a billionaire to be sued like one. Our personal excess liability insurance offers broad, worldwide protection and features up to \$100 million in coverage. You also have the freedom to choose legal representation from a national panel of leading defense specialists; most insurers leave you out of this process entirely.

<sup>1</sup> Coverage is subject to underwriting review and may not be available in all jurisdictions.

<sup>2</sup> If available, excludes glass.

<sup>3</sup> Some services have eligibility requirements or geographic restrictions. Please contact your independent insurance advisor for more information.

### For your collections

Whatever you collect—fine art, jewelry, wine, antiques, memorabilia or other precious items—we provide precise protection from fire, theft, flooding, natural disasters and breakage. Worldwide coverage allows you to transport pieces and acquire new items abroad without concern.

### On the road

Insure all of your vehicles on one policy at an affordable rate. We provide for repairs with original manufacturers' parts,<sup>2</sup> choice of repair shop and the ability to rent a comparable vehicle while yours is being repaired or replaced. Additional features include high deductible options, agreed value provisions and generous coverage for newly acquired vehicles.

### On the water

We offer comprehensive insurance for a wide range of vessels, from small boats to super yachts. Our size and strength enable us to offer high limits of property and liability coverage, and our in-house yacht specialists can ensure you've got the best possible protection.

### And beyond...

Additional solutions are available for insurance needs related to private staff, family offices, international travel and more.

### More than coverage

AIG Private Client Group complements its coverage options with distinctive, personalized services—from loss prevention consultations at your home to oversight of complex art and wine collections. We bring together best-in-class experts, cutting-edge technology, and an approach that goes well above and beyond insurance.<sup>3</sup>
